Before I knew it,
I was running from her.

When
my childhood
friend suddenly
confessed to me..

Kokonotsuboshi
Girls' Academy
of Commerce.

Also known as
"Shirojo."

Another
Yuritopia

episode

It's called
"Shirojo" because
it was built
on the site of
an old castle.

There are
a lot of girls
who apply
because they
admire those old
buildings, too.

It's known
for its blend of old,
wooden buildings
with new ones.

PLAY!!

we'll be
doing a
play!

by
majority
rule!

So we've
decided
that for
the school
festival
this year

I'll do it!
I'm confident
in my
strength!

Yes!

Anybody
else?

And
Maki-san.

Maki Seina-san.
She's cute,
but super strong.

She's a hard worker,
at the center
of the class.
It's reassuring
to have her help.

Though there's
this legend about
how she got in a
fight with a senior
in her first year...
I wonder if
that's true

Mm.

Komano Hina-san.
She's little,
the class mascot.

She doesn't
talk much,
but when she does,
she makes it count.
I really respect that.

So
cute!

I'll

do it.

and start
planning,
please!

Okay,
make groups
for your jobs

We can
ask some
drama club
girls, too.

...Mm.
Let's start
in the
library.

We'll
have to
start by
looking
stuff up...

It looks
like the play
we're doing
is Romeo
and Juliet.

H!

Shiina-san?

you
okay?

I'm just
in their
way...!!

What do I do...
The two of
them are so
together and
reliable...

...You're
good at art,
Shilina-san.

I'm strong,
but I've got
no control...

Mm...

Me and
Seina
are both...
not
confident
in our art.

Your
art was
displayed
in the hall
when you
won that
award.

WHA?

She's my
precious
childhood
friend.

I was
a scaredy cat.
She was the
one who always
protected me.

Mako-chan.

I'd thought
it would always
be the same
between us.

I don't
understand...

I'm scared!

Love?
Mako-chan
loves me...?

I've been running

all this time since then.

Yeah,
I told the
president
where I'd be.

Shiori-chan,
you don't have
to go to art
club today...?

Romeo
and Juliet.

Here it is,
here it is!

It's the story of a
son and daughter
from each family,
Romeo and Juliet,
falling in love.

The Capulets
and Montagues
have been feuding
for generations.

It's probably
really hard for
them, isn't it?

Well, it is
romantic,
but...

They have to
worry about how
people will see
them and what
they'll think...

...You're
amazing,
Maki-chan.

But I'd
definitely
make things
work out!

I'm going
out with
someone
who's older
than me.

...Listen.
I don't really
tell people
about this,
but...

So!

!!?

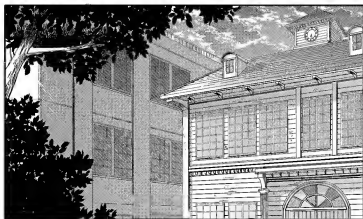

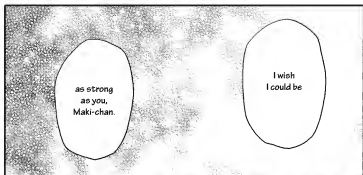

...Maki-
chan.

or if you
need any advice,
I'm here
for you!

If you
want to talk
about love...

Oh

That's...

Mako!
